

Meal Kits

"Your Home Chef"

Rootworks

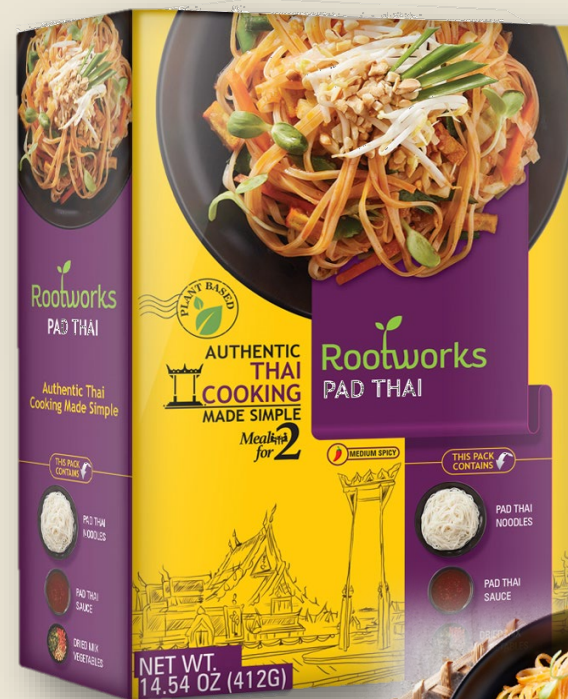

- The **new normal trend is here to stay** and will see more people working from home, cooking at home & eating at home. Meal kits are the ultimate home cooked meal solution.
- Personal Touch, “its your creation” - Nielsen refer to “**Homebody economy**” consumers choose to live, eat and entertain at home, using technology and engaging each other.
- Engages one in the **art of cooking** without spending hours in the kitchen.
- Multiple **cuisine options & protein** of your choice.
- **Vegan friendly** range.
- **Easy storage & preparation.**

What's in the kit?

Most of the kits are curry based and their contents, depending on the flavor, are:

1. Cooking Sauce
2. Curry Paste
3. Dried Herbs
4. Carbohydrate
(cooked rice or cooked noodles)
